### **Algebra, Grades 7 - 9**

The 100+ Series, Algebra, offers in-depth practice and review for challenging middle school math topics such as radicals and exponents; factoring; and solving and graphing equations. Common Core State Standards have raised expectations for math learning, and many students in grades 6–8 are studying more accelerated math at younger ages. As a result, parents and students today have an increased need for at-home math support. The 100+ Series provides the solution with titles that include over 100 targeted practice activities for learning algebra, geometry, and other advanced math topics. It also features over 100 reproducible, subject specific, practice pages to support standards-based instruction.

### **Extended Mathematics for IGCSE**

This text offers: key facts; worked examples; international contexts; questions including past exam paper questions; inbuilt revision; and full coverage of IGCSE syllabuses for secondary maths pupils in overseas schools taking IGCSE.
